### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: Claims 1-5 are cancelled. Applicant's election without traverse in the reply filed on December 8, 2005 is acknowledged.

2. The following is an examiner's statement of reasons for allowance: The prior art does not provide for the recited method for producing a network conductor comprising forming a thin film on a substrate wherein microcracks are generated in a pattern of branching lines in the thin film and filling the microcracks with a conductive material. Additionally, the prior art does not provide for the recited method, further including an underlayer on the substrate wherein portions of the underlayer are activated by exposure to the microcracks; removing the film and forming a layer conductive material onto the activated portions of the underlayer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communication from the examiner should be directed to Camie S. Thompson whose telephone number is (571) 272-1530. The examiner can normally be reached on Monday through Friday from 7:30 am to 4:00 pm. If
